# WELCOME TO **MINU**

Minu is the first mining dog coin on Binance Smart Chain. With its own decentralized app, Minu is giving an 8% daily return to its miners in forms of BNB, while Minu's native token is constantly increasing the TVL (Total Value Locked) of its miner with a 2% of every transaction (buy or sell) going to contract of the miner. Only **Minu** holders have the ability to start mining and earn daily rewards.
